

Request Form for Exemption from Synchronous Learning

Name: _____ Grade: _____

In the hybrid model, synchronous learning occurs in real time. The teacher and students interact in real time through videoconferencing, audioconferencing and chat.

Based on need, students and families will be given support with technology and connectivity to participate in synchronous learning.

The following options are available for synchronous learning:

	Kindergarten	Grade 1-8
No Exemption	180 minutes	225 minutes
Exemption	0 minutes	0 minutes

Please note that all students must engage in 300 minutes of learning each day. If a student has an exemption from synchronous learning, additional tasks/assignments will be given to replace the synchronous learning.

To qualify for an exemption from synchronous learning, a student must meet one or more of the following criteria:

- Special education needs
- Lack of Internet (in spite of supports from DSB1)
- Other (please outline): _____

If you are requesting an exemption for your child from synchronous learning, please check off the reasons above and sign below.

Please note that parents can request a change to their child(ren)'s plan for synchronous learning by contacting their teacher.
